

MA-101G ISM Personal Wireless Megaphone

Features

- A high efficiency full-range speaker to deliver clear and powerful sound.
- One built-in ISM band receiver module for long-distance and reliable reception performance.
- Simple to use and can be easily carried via the built-in handle, shoulder strap, or mounted on a microphone stand.
- Bluetooth function, allowing devices such as mobile phones to stream music wirelessly.
- Each audio source has an individual volume control.
- Powered by rechargeable Li-ion battery instead of lead-acid battery for improved reliability, longer life and reduced weight.
