

# ACT-800T

## UHF Digital Wideband Bodypack Transmitter

### FEATURES

- MIPRO's premium digital bodypack transmitter is designed for use with the ACT-800 Series receivers, delivering high-performance digital wireless transmission.
- Compact and lightweight housing with a streamlined, patented design for secure and comfortable belt-worn use.
- A backlit LCD clearly displays group, channel, battery status, and AF signal strength.
- Supports advanced settings including mute mode, input sensitivity adjustment, low-cut filter, audio limiter, RF output power, input polarity, and lock.
- Offers both onboard mute switch and external mute control for flexible operation in various scenarios.
- Features a MIPRO 4-Pin Mini XLR input compatible with MIPRO's full range of lavalier and headworn microphones, as well as instrument microphones.
- Six-stage input gain adjustment allows precise control based on vocal or instrument volume, improving audio clarity and preventing distortion.
- Incorporates MIPRO's exclusive ACT™ function for fast and accurate frequency synchronization.
- Patented dual-purpose battery compartment allows quick switching between AA and rechargeable Li-ion batteries.
- Built-in USB Type-C charging port and charging contacts with foolproof protection circuitry support cable and drop-in charging.
- Detachable metal belt clip allows upright or inverted mounting for secure and flexible wearing.

### SPECIFICATIONS

Frequency Range	UHF 480–934 MHz (country dependent)
Bandwidth	72 MHz
Display	Backlit LCD displays channel, battery status, AF meters and menus
Control Interface	ACT sync sensor, setting buttons and mute button
Encryption	256-bit Digital Encryption
Mic. Capsule Modules	MIPRO lavalier and headworn mics
Input Connector	MIPRO 4-Pin Mini XLR
Audio Control	AF Gain, Low Cut, AF Limiter and Input Polarity
Max. Audio Input	0 dBV
Gain Setting	-12 dB to +18 dB / 6 dB per segment
RF Power Output	10 mW / 50 mW switchable (country dependent)
Power Supply	One 18500 Li-ion battery or two AA alkaline
Battery Charging	MP-800 / MP-820 charging dock or USB Type-C
Dimensions	63 × 80 × 25 mm (W × H × D)
Weight	Approx. 97 g
