

MA-101ACT

Wall-Mounted Wireless Megaphone

FEATURES

- Wall-mount design with compact size, ideal for classrooms, meeting rooms, and small gatherings.
- High-efficiency Class-D amplifier powers a 5-inch full-range speaker, delivering clear and powerful sound.
- Built-in UHF receiver module supports 97 channels with a reception range of over 60 meters, enabling quick pairing and reliable interference-free performance.
- Pairs with the dedicated MT-101ACT transmitter for remote power and volume control, supporting lavalier and headworn microphones.
- Supports Bluetooth playback and LINE IN / LINE OUT connections for both wired and wireless audio sources.
- Expandable with the MA-101EXP passive speaker for wider sound coverage.
- Includes AC switching power supply for reliable and stable long-term operation.

SPECIFICATIONS
