

MP-800

Single-slot Charger

FEATURES

- Designed for MIPRO handheld and bodypack transmitters with patented dual-power design (18500 Li-ion battery or two AA batteries).
- Single-slot charger allows charging of either handheld or bodypack transmitters.
- LED indicators display power, charging, and full-charge status.
- Cable management space at the bottom prevents accidental disconnection of the power plug.
- Expandable with optional accessories to form a multi-slot charging system.

SPECIFICATIONS
