SM-10A

Alto Saxophone Microphone Set

FEATURES

- Optimized for alto saxophone pickup with MU-16 semi-supercardioid condenser capsule, delivering accurate and natural sound reproduction.
- Patented shockmount design effectively reduces handling and impact noise, secure and instrument-safe installation.
- Wide dynamic range supports up to 142 dB SPL, capturing every detail from soft passages to strong notes.
- 3.5 mm connector for seamless integration with the MIPRO MT-58 digital transmitter, providing reliable wireless performance.
